### What is TAL Health Sense Plus?

There's only one you - and you should be rewarded for looking after yourself. Having regular preventative screening tests is one of the simplest ways to reduce your risk of developing a serious disease or disorder.

TAL Health Sense Plus rewards you for taking steps to proactively manage your health, by offering a 5% discount on the premium for eligible Accelerated Protection Life Insurance, TPD Insurance, and Critical Illness Insurance, for up to two years at a time. The TAL Health Sense Plus discount is in addition to any TAL Health Sense discount that the life insured may be eligible for.

How the discount works, and eligibility criteria, are set out below. Please note that these criteria are subject to change at our discretion.

### Eligibility

##### Criteria to obtain the Health Sense Plus discount

A 5% TAL Health Sense Plus discount will automatically be applied to the premium for Accelerated Protection Life Insurance, TPD Insurance, and/or Critical Illness Insurance, (excluding the policy fee, any government duties and any per mille loadings) where:

1. only for new applications with quotes generated on or after 26 May 2023;
2. the policy is issued under a PDS and Policy Document dated from 5 August 2022; and
3. the life insured is covered by one or more of Accelerated Protection Life Insurance, TPD Insurance, and/or Critical Illness Insurance.

### How the discount applies

#### EXISTING CUSTOMERS

Existing Accelerated Protection customers (including customers whose initial discount has come to an end) must first receive an offer to participate in Health Sense Plus and must fulfil the eligibility criteria in order to receive the 5% discount.

Eligibility criteria to receive the offer and the discount are as follows.

#### Criteria to receive the Health Sense Plus offer

2. No claim in respect of the life insured has been made under any policy or policies issued by TAL;
3. The life insured must be under the age of 62; and
4. Contact information for the policy must include a valid and up to date email address and mobile phone number. Subject to law, we will use this information to send the Health Sense Plus offer.

### Criteria to obtain Health Sense Plus discount

Once the offer to participate in Health Sense Plus is made, the following criteria must be met in order to receive the discount:

1. The life insured must have undergone one or more preventative screening tests between:

We reserve the right to review the evidence provided in order to obtain the Health Sense Plus discount and cancel your Health Sense Plus discount if the eligibility criteria are not fulfilled to our satisfaction.
